## FaCILISI introduces Holiday Season iWork® Pages® Templates for Mac OS X ® and iPad

### **FaCILISI STORE Monday, December 6, 2010**

FaCILISI today is pleased to announce the introduction of Holiday Season Pages® Templates for Mac OS X ® and iPad, Apple's® iWork® application. The professionally designed, editable templates enable the effortless creation of Holidays brochures, newsletters and postcards for the Pages® users.

With 100+ Templates, FaCILISI offers a large collection of elegant, sophisticate or colorful Templates from which to choose. Pages® users only need to add their own text and pictures to create professional or personal documents for the Holiday Season. All templates are easily editable, users can change fonts, colors, sizes... (graphics were created with Pages®, they are also editable). These Holidays Templates are available during the Holiday Season only.

The FaCILISI STORE website offers 1700+ Templates for iWork® Pages®, Apple's® highly successful application for Macintosh®: 1500+ Pages® templates for Mac OS X ® and 200+ Pages® Templates for iPad. Layouts of these professionally designed Templates were studied to be deftly editable, to allow Pages® users to easily customize them. They can be purchased individually, fostering a mix'n'match approach to fit Pages® users needs or by pack. Each download includes both ISO (A4) and US formats.
